Research Collaboration

Faculty of Agriculture of Universitas Hasanuddin and Institute Chemical, Environmental and Bioscience Engineering Technology University of Vienna, further denoted in the text as the “parties”, acknowledge and wish to establish the mutually beneficial collaboration. The parties set out the following protocols to govern their collaboration on research-related activities.

Scope

The scope of collaboration on research activities included in this Memorandum of Understanding (MOU) may include the following categories:

- Research collaboration in the areas of mutual interest;
- Exchange of academic materials which are made available by both parties;

Implementation

To implement this MOU, the following is mutually understood:

- This MOU will be implemented by the Agricultural Engineering Study Program and Food Science and Technology Study Program on behalf on the Faculty of Agriculture of Hasanuddin University and Research Group Phytochemistry and Biochemistry of Natural Compounds on behalf of the Institute of Chemical, Environmental and Bioscience Engineering of Technology University of Vienna.
- Proposals for collaborative work under this MOU will be submitted through the normal procedures of each party.
- Each party will nominate one of its members as its representative in charge of any cooperative program. Individual programs of work developed under this MOU will be subject to individual agreements in writing and where appropriate will be jointly planned and conducted by the nominees of both parties.
- Progress of work of any individual program will be reviewed and approved by designated project officers of both parties, in accordance with its individual written agreement.
- The final approval of any project will depend on the availability of the guaranteed support funds.
- Neither Faculty of Agriculture Universitas Hasanuddin nor Institute of Chemical, Environmental and Bioscience Engineering of Technology University of Vienna will be held responsible for any liability, and, neither party shall be required to purchase any insurance against any loss or damage to any personal property to which this MOU relates.
- Neither party will be legally bound in any way whatsoever by entering into this MOU and nothing in this MOU shall be construed as creating any legal or financial relationship between the parties.

Only the individual written agreements, if any, will create legally binding obligations between the parties.

Commencement, renewal, termination, and amendment

This MOU is effective as of September 2023.

This MOU shall remain in force for a period of 5 (five) years from the above-mentioned date, with the understanding that it may be terminated by either party giving at least 6 (six) months' notice to the other party in writing.

This MOU may be amended or extended by mutual consent in writing of the two parties.

Notices

Any communication under this Memorandum of Understanding will be delivered to the recipient at such address or electronic mail address which is duly acknowledged:

To Hasanuddin University:

Name : Prof. Dr. Ir. Salengke, M.Sc,
Designation : Dean of Agriculture Faculty, Universitas Hasanuddin
Address : 2th Floor, Faculty of Agriculture Building, UNHAS Campus
Jl. Perintis Kemerdekaan Km 10, Makassar 90245. INDONESIA
Email : salengke@unhas.ac.id
Tel. : +62 0411 586014

To (Foreign University/Institute):

Name : Univ. Prof. Mag. Dr.rer.nat Robert Mach
Designation : Head of Institute of Chemical, Environmental and Bioscience Engineering
Address : Getreidemarkt 9, 1060 Vienna, Austria.
Email : robert.mach@tuwien.ac.at
Tel. : +43 1 58801 16601

Signed for and on behalf of

**Faculty of Agriculture,
Hasanuddin University**
by its authorized representative

Prof. Dr. Ir. Salengke, M.Sc
Dean Faculty of Agriculture
Universitas Hasanuddin

**Institute of Chemical, Environmental and
Bioscience Engineering, Technology
University of Vienna (TU Wien)**
by its authorized representative

Univ. Prof. Mag. Dr.rer.nat Robert Mach
Head of Institute of Chemical,
Environmental and Bioscience Engineering,
Technology University of Vienna
(TU Wien)
